

PostNote Installation Instructions

Product Name: PostNote

Team Name: PostNote Members

Date: 5 December 2023

Step #1: To begin, install Visual Studio Code, also known as VS Code.

Here's a link to download the IDE: <https://code.visualstudio.com/download>

Step #2: Next, install Flutter for your respective platform using the following link:

<https://docs.flutter.dev/get-started/install>

Step #3: Open the GitHub repository: <https://github.com/acolloreto/PostNote>

Step #4: Click on Source code (zip).

Step #5: Click on the zip file to unzip it.

Step #6: Open VS Code.

Step #7: Select File-> Open Folder -> PostNote-Release-1.0 -> Open.

Step #8: Open a new terminal in VS Code.

Step #9: In the terminal, type `cd post_note`.

Step #10: Then type `flutter run`. (This will automatically resolve all dependencies.)
